SIGN ON

- All players must 'sign on' on the score sheet **before** taking the court.
- A minimum of 5 registered members of the team **MUST** sign on before the game can start.
- Sub/borrowed players must print and sign their names at the bottom of the sheet.

SUB / BORROWED PLAYERS

- Must play in WING positions
- Each team must have a minimum of five (5) registered players take to the court. If your team is down to this number, you must seek out only two (2) more players.
- A player cannot sub more than 3 games. Prior to their 4th game they must become a member of the team and pay the appropriate fees.
- Borrowing players from the same or lower divisions is permitted e.g. Division 2 players can play in Division 1 or for another Division 2 team, but cannot play in Division 3
- NB: If teams are caught with illegal fill-ins, the team risk having points deducted
- Be current registered PCYC members and are required to write their names on the score sheet at the bottom.
- If your team has players, running late, and you have (5) or (6), you can still take to the court - you really do not require a sub for this reason alone. However, should you though organise a sub to fill in until your player/s arrive, the sub player/s must leave the court for the registered player to commence immediately on arrival, and are not to be rotated on again. Failure to acknowledge this rule will result in points deducted.
- Players not on the original team list **CANNOT** be borrowed for Finals irrespective of how many times they have filled in - We ask that when using a replacement player that you please bear in mind the calibre of the player and the Division they are playing in

- If a game is forfeited the opposing team will be notified via a phone call as soon as possible.
- Teams in later time slots may be contacted in relation to moving their game times forward where possible.
- If a team is unable to take the court at the time of their game due to players running late or being away, they will be given 5 minutes after the time the game is meant to commence to find enough players (5 players from the original team) to start the game.
