***Bookings Required for Healthy Aging classes**

PCYC Circuit

Circuit Training focuses on continuous movement and muscle engagement, making it effective for those seeking a well-rounded workout. Our circuit training workouts are performed at a medium intensity during the work periods and include little to no rest between bouts of work using upper body, lower body, compound exercises & cardio for an all over body workout building strength and fitness. This class is scaled for all fitness levels.

All ages from 14+ 1 hour

PCYC HIIT

A group fitness class focusing on upper body, lower body and core strength exercises combined with cardio to give you a fast and safe way to gain muscle, improve fitness and reduce body fat.

All ages from 14+ 45 minutes

Core

A core strength gym fitness class that focuses on strengthening the muscles in your core, which include your abdominals, lower back, and obliques. These muscles are essential for good posture, balance, and stability, and a strong core can help to improve your performance in other activities, such as sports. Core strength classes typically use a variety of exercises, such as planks, crunches, and Russian twists, to work all the core muscles. *30 minutes*

Healthy Aging Class (EASY)

Resistance and cardiovascular, balance and mobility classes for seniors or those looking to improve their quality of life. Classes are run by our accredited Exercise Scientist (AES). For all ages 14+

Yoga

Vinyasa Flow class at sunrise, that caters for all abilities with Bec Conway.

Self Defence

A program that aims to help you build confidence, self-control, awareness, focus, balance, coordination and self-discipline.

Zumba®

Zumba® is a group exercise class that blends rhythmic Latin music with high-intensity cardio dance moves to make getting in shape more fun than ever. Get a full-body workout while forgetting you're even exercising by joining the Zumba® dance party! Taught by the wonderful Jodie Sallustio. *All ages from 14+ 45 minutes*
