# Health & Medical Form

3. Regarding any challenging behavior please fill out the table below to help better understand how to support your child

Identified behaviour e.g. physical aggression	Warning Signs e.g starts pacing the room	Known triggers e.g opposition to any request	Strategies to manage behavior

## 4. Special Requirements & Dietary Needs

Please identify any special needs or requirements not listed above (eg. diet, wheelchair access etc.)

## Administration of Medication

If medication needs to be administered during the program, please complete the following section:

Name of Medication	Expiry Date	Storage Requirements
Dosage	Method of Self-administration	Frequency

# Health & Medical Form

Are there any circumstances that need to be considered in the administration/storage or delivery of the medication?

I authorise the staff at PCYC \_\_\_\_\_  
to supervise the self-administration of the medication(s) as recorded on the table.

## Office Use Only

Prior to administering any prescribed medication to a child, the following questions must be answered. In the event the answer to any of the below questions are 'no', a service will refuse self-administration.

Is the medication in its original container or as dispensed by a pharmacist?	Y	N	
Is the dispensing label attached to the medication/container?	Y	N	
Is the prescribing doctor's information on the label?	Y	N	
Does the name on the dispensing label match that of the child above?	Y	N	
Does the expiry date on the medication match that on the box?	Y	N	
Is there an Action Plan OR Medical Alert sheet for this child?	Y	N	N/A
