SUMMER SCHOOL HOLIDAYS ARE FULL OF FUN AT PCYC Auburn

PCYC Auburn will be working hard to keep school kids active these Summer School Holidays with affordable and fun activities in December and January.

Last year PCYC NSW provided school holiday programs to more than 45,000 children across the state and its shaping up to be another busy year!

From as low as \$50 a day and \$125 for 3 days kids can choose from a range of active, fun and creative activities, including:

- Gymnastics
- Soccer
- Basketball
- Arts and Craft

“PCYC NSW understands how important it is to keep kids busy during the school holidays, especially over the long summer break,” said Hayden Paterick Club Manager, PCYC Auburn.

“Our School Holiday Program is designed around this idea that kids can have fun, learn new skills, make new friends and stay active during the holidays without breaking the bank for parents and caregivers.

“We also provide a safe environment with qualified local instructors and staff for the programs we are running. We also make sure we offer plenty of time for outside play and activities.

“We ourselves on being a community organisation that brings people together through programs like our Summer School Holidays. We like to provide families with a wide range of activities and affordability to make sure everyone can have access to fun these holidays.

”We also want to assure parents that all of our clubs are COVID Safe and are in line with current NSW Health advice. The activities that are permitted at our club will be conducted in a way that is safe and appropriate in the current environment.”

If you are going on away during the school holidays, don't forget you can book into any PCYC NSW club across New South Wales. Parents can also use their Creative Kids voucher for eligible school holiday activities.
