ANAPHYLAXIS

 If your child/ren suffers from anaphylaxis, they should have an anaphylaxis action plan which has been prepared by their doctor. If your child/ren has a plan, please provide it to the club at least three weeks prior to attending the program.

 Children at risk of anaphylaxis need to bring at least one adrenaline auto injector. On catered programs, children with food allergies are required to wear an identifying wristband. This is an added precaution to assist staff when managing situations

where food allergens may be present.
