

MAKING A WILL & GIFTS IN WILLS

Creating a Will

We recommend you seek advice from a solicitor when drafting your Will. The wording is extremely important and your solicitor can advise you on the various types of gifts. It is also very important that you talk with family and loved ones about the decisions and wishes in your Will. Good communication will ensure your final wishes are carried out.

Safewill

If your Estate is not complicated you may prefer to create a Will yourself. PCYC NSW recommends you seek professional advice when creating a Will to ensure your Will is valid. We have partnered with Safewill to provide an easy and low-cost way to create your Will, fully supported by Safewill's team of Australian lawyers.

Updating an Existing Will

Perhaps you're updating your Will - if you already have a Will in place, the most cost-effective way to make a provision for PCYC NSW is by adding a codicil – a short legal amendment to your Will. Please check with your solicitors if a codicil is appropriate for the updates you wish to make.

Please allow us the opportunity to thank you personally, and let us know you have made a provision in your Will to PCYC NSW – investing in the future of youth that will support so many others.
